

## HOT PROMISES

THERE's a miracle cream  
On the cinema screen  
Hot promises  
Body-build up your brain  
Tarzan loses his Jane  
Hot promises  
If your pockets are green  
Father Christmas has been  
Hot promises  
Please don't write on the wall  
One day Humpty might fall  
Hot promises

HOT PROMISES WHEN THEY'RE ON THE MAKE  
HOT PROMISES THEY CAN ALWAYS BREAK  
HOT PROMISES I CAN GET FOR CHEAP  
HOT PROMISES THAT THEY NEVER KEEP  
HOT PROMISES OH LORD  
HOT PROMISES OH OH OH OH

Be a good girl in school  
You'll be nobody's fool  
Hot promises  
And your momma can pray  
All her Sunday's away  
Hot promises  
There's a wolf at the door  
Making plans for a war  
Hot promises  
Oh his smile may be kind  
There's no love in his mind  
Hot promises
